This Katun® Performance™ new-build toner cartridge provides outstanding value for your small office / home office customers

Europe

The introduction of this new-build toner cartridge provides dealers and distributors with yet another high-quality, low-cost alternative to costly OEM laser cartridges for Brother printers and MFPs. This Katun® Performance™ toner cartridge offers cost savings at a time when dealers need it most – without compromising on quality, performance or yields

Benefits:

◆ Toner Performance You Can Trust

This new Katun® Performance™ toner for use in Brother DCP 7030, HL 2140, and MFC 7340-series applications, has been developed and rigorously tested to provide outstanding image quality, image density, page yields and fusing and to ensure complete compatibility with the OEM toner. Katun's testing and evaluation protocols ensure industry-leading performance – giving you a reliable and profitable alternative to the OEM toner.

◆ Expense Reduction – When You Need It Most!

In today's economic environment, most businesses, whether large or small, are looking for cost savings and other competitive advantages. This new Katun® Performance™ toner offers you just that – significant savings versus OEM supplies, with no compromises on quality.

◆ Katun Offers a Wide Selection of Toner Cartridges and Drum Units for use in Brother Printers & MFPs

Katun offers a broad line of quality toner cartridges and drum units at competitive prices for many of Brother's most popular printer and MFP series. With a broad line, competitive pricing and industry-leading quality, you can count on Katun to provide the best value
