

Katun® Performance™ Toner for use in

HP LJ P2035/2055 -series

Printers & MFPs

Katun PN: 37484, 37485
OEM PN: CE505A, CE505X

Experience outstanding quality and reliability with this remanufactured toner cartridge from Katun!

The introduction of this new toner expands Katun's complete line of high-quality monochrome and color toner cartridges for use in HP printers. This machine series is still being actively placed in the field, providing dealers and distributors with a significant long-term profit opportunity by simply switching from OEM toner to Katun® toner.

Benefits:

◆ Toner Performance You Can Trust

This Katun® Performance™ remanufactured toner cartridge has been developed and rigorously tested to provide outstanding image quality, page yields, and fusing performance. Katun's testing and evaluation protocols ensure industry-leading performance, giving you a reliable, profitable OEM alternative.

◆ Reduce Your Expenses Without Sacrificing Quality

In today's economic environment, businesses of all sizes are looking for cost savings and other competitive advantages. This new Katun® Performance™ toner offers just that – significant cost savings versus OEM supplies, without sacrificing quality.

◆ High-Quality Remanufacturing

This remanufactured toner cartridge fits, installs, and performs similar to the OEM product, which helps make the transition from OEM toner to Katun® Performance™ toner seamless for your customers. All remanufactured Katun® Performance™ toner cartridges are developed and remanufactured according to ASTM, STMC and ISO quality guidelines.

◆ Choose from a Complete Line of Consumables for use in HP Printers

Katun now offers a complete line of remanufactured toner cartridges for use in today's most popular HP monochrome and color printers.

Machine Overview

In 2008, Hewlett Packard introduced the HP LJ P 2035/2055-series printer for the small office and home office sector, and is slightly more robust than entry level HP models like the HP 1005 series. The machine is compact in size, has fast output speeds, and is very reliable. It also has automatic two-sided printing.

Model	Speed (ppm)	Intro Date	Mfg Status	Markets	Est Street Price	Monthly Volume	Functions
LJ P 2035	30 ppm	Nov. 2008	Current	WW	\$229	500 - 2,500 pages	Print
LJ P 2035 n	30 ppm	Nov. 2008	Current	WW	\$299	500 - 2,500 pages	Print
LJ P 2055 d	35 ppm	Nov. 2008	Current	WW	\$349	500 - 2,500 pages	Print
LJ P 2055 dn	35 ppm	Nov. 2008	Current	WW	\$399	500 - 2,500 pages	Print
LJ P 2055 x	35 ppm	Nov. 2008	Current	WW	\$499	500 - 2,500 pages	Print

Product Characteristics

OEM PN	Katun PN	Yield*	Country of Origin (Katun)	Models
