

Katun Access™ Drum Unit Rebuild Kit for use in

Ricoh Aficio MP C2030/C2050/C2530/C2550/C2051/C2551-series

Digital Copier/Printers Katun PN: 39942 • OEM PN: N/A

You can count on cost-per-copy savings and consistent quality with this Katun Access drum unit rebuild kit

Katun® is pleased to introduce a high-quality drum unit rebuild kit for these Ricoh Aficio applications. This drum kit provides excellent performance at a significantly lower cost than a new OEM drum unit – providing Ricoh dealers with an outstanding long-term profit opportunity for these machines.

Note: Products shown represent Katun products in this category.

Benefits:

◆ Cost-Per-Copy Savings

This Katun® drum unit rebuild kit will enable you to significantly reduce your cost per copy on these machines and help you improve overall profitability. There is no need to replace the entire drum unit when a new drum, charge roller, lubricant bar and drum cleaning blade are all that is needed.

Note: OPC drum is Katun Access™ brand; other components are Katun Performance™ brand.

◆ Easy to Rebuild

This drum unit rebuild kit allows the servicing dealer to rebuild used OEM drum units profitably. The rebuild process is easy and can be completed in about 15 minutes or less. Detailed, illustrated, step-by-step instructions can be found online in the resources section of www.katun.com.

◆ Dependable Quality and Performance

This drum unit rebuild kit provides dependable quality and consistent performance, enabling you to improve profitability without compromising on copy quality, yield or customer satisfaction.

◆ Help Preserve the Environment

By purchasing this drum unit rebuild kit, you can help preserve the environment by reducing the number of once used drum units that end up in landfills.
